

## **Robert M. (Bob) Vuolo**

Mr. Vuolo is a nationally recognized Subject Matter Expert in Project Management and PMP Prep. He brings 35 years of direct, practical experience in information systems, project management, training and consulting. As president of Certified Project Managers, LLC in Reston, Virginia, his client base includes DOD, government, public and private sector organizations.

For the past ten years, Mr. Vuolo has conducted seminars for, and provided curriculum development service to, several industry leaders in management training. He has directed over 250 seminars in project management, scheduling and cost control, risk management, and PMP Exam Prep. He has customized instructional materials for several Fortune 500 companies. While working with ESI International, Inc., Mr. Vuolo commissioned the team that wrote the first edition of the PMP Study Guide and Test Questions and wrote the test questions for Risk Management. (Mike Farr wrote the questions for the Cost Management portion of the PMP Study Guide.)
